IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

*In re* United States Patent Number 6,887,464

Date of Issue: May 3, 2005

Patent application number 09/495,947

Inventor: Peterson

Title: ***ADVANCED ANTIGEN PRESENTATION PLATFORM***

REQUEST FOR ISSUANCE OF CERTIFICATE OF CORRECTION  
IN ACCORDANCE WITH 37 C.F.R. §§ 1.322-1.323

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby requests the issuance of a Certificate of Correction for the above-identified patent.

When US patent application 09/495,947 was filed, both Timothy Coleman and Darrell Peterson were listed as inventors. During prosecution of the application, the inventorship was corrected in that Timothy Coleman was removed as an inventor, leaving Darrell Peterson as the sole inventor. However, the issued patent lists "Coleman et al." as the inventor. This is incorrect; Peterson is the sole inventor of the issued claims.

As evidence, Applicant herewith submits copies of the following, which were downloaded from the USPTO e-business website:

- A) a Request to Correct Inventorship that was filed on Nov. 4, 2003, and which is annotated in the left margin as "granted";
- B) a second Request to Correct Inventorship that was filed April 16, 2004;

2006

C) a Response from Patent Examiner Janice Li indicating that the request of 04/16/04 had been granted; and

D) a copy of a page from the USPTO website showing the status 09/495,947 which indicates that that application issued as US patent 6,887,464, and that the first named inventor as Darrell Peterson (not Timothy Coleman).

Please correct the front page of the application to indicate that Peterson is the sole inventor by replacing "Coleman et al." with "Peterson" in field 12, directly after the phrase "United States Patent". And please delete "Timothy P. Coleman, Rehoboth, MA (US)" from the listing of Inventors in field 75

Applicant submits that this correction is necessary in order to correctly identify the inventor of the claimed subject matter, and that this correction does not add new matter. Applicant further submits that the printing of Timothy Coleman's name was an error on the part of the USPTO, and thus no charge should be required. However, if a charge is required, please charge attorney's deepest account 50-2041.

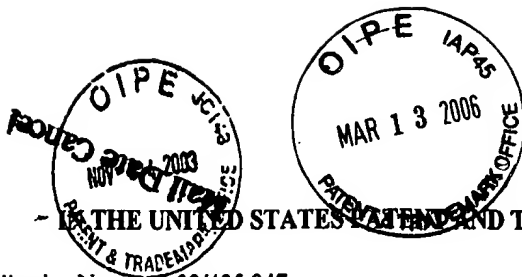

Respectfully submitted,

Ruth E. Tyler-Cross
